

Cam Hodges, Elevation

Packing up my things,
I'm loading up the car you know
(Never wanna go, never wanna go)
There is room for one more,
Don't make me go alone
(Never wanna go, never wanna go)

You say we should go
Don't leave me alone

Don't ask me why not,
I need just a little more time to work this out
But don't send me your thoughts,
I need just a little more time
So don't run, don't run

'Cause you say we should go
(We should go, we should go)
Don't leave me alone
(I don't wanna be alone)
You say we should go
(We should go, we should go)
Don't leave me alone

Whoa, oh, oh, whoa
Whoa, oh, oh, whoa
Whoa, oh, oh, whoa
Whoa, oh, oh, whoa
Whoa, oh, oh, whoa

'Cause you say we should go
(We should go, we should go)
Don't leave me alone
(I don't wanna be alone)
You say we should go
(We should go, we should go)
Don't leave me alone
