

# Cam'ron, Hey Lady

[Verse 1]

I know you heard me in british rob  
But I get you bracelets till ya wrist is throbbd  
Just kissed the nob, and put your meat on my stick like a shish-ka-bob  
Out mingalin', heard that I blingy-bling  
But I run the circus like ring-a-ling  
I'm the king of things, and your man he a homo like jing-a-ling  
(jing-a-ling)  
That's life, hit 'em with the pow-ping  
Pow, pow, .45 load thing  
Look wild thing, I do wild things, make China stretch like Yoa Ming  
Ching chong like a higher Chow Main  
I buy lango ma, I don't need a nickel, naw  
Oh you tickled ma? 'cause your nipples huh  
Commin' through your shirt, nearly ripped your bra

[Chorus]

I see the hate in your eyes, damn them boys is too fly  
The way we roll up, rims all swoll up, ice all froze up  
And while you're actin' surprised, like we dough sellin' pies  
They way we hold up, papi hole up, mami roll up

[Verse 2]

I know a school in work, but you need to schooled in work  
Put my 2 to work, I feelin' your shoes, your purse  
You get low on dough, the few the first  
I don't need you high like I'm high  
But shit, I need you fly like I'm fly  
Fresh, Lui Vuitton ankle  
Pastel, Lui Vuitton rainbow  
Threw on the Kango, threw on Durango's  
Not from the 'nati, but through on the Bengals  
Moved on an angle, like a baler malodor  
The two gon' tango  
Shake your body mami, move your body hottie  
Its true on kamikaze, I'm movin' a mazarattie  
They all polly polly, voo boy dolly dolly  
I don't talk like the swolly mami

[Chorus]

I see the hate in your eyes, damn them boys is too fly  
The way we roll up, rims all swoll up, ice all froze up  
And while you're actin' surprised, like we dough sellin' pies  
They way we hold up, papi hole up, mami roll up

[Verse 3]

Lady, dry your panties  
Damn, she wanna right her family  
Tell em Nad, I'm a dyper dandy  
And I got all type of candy  
Whats that? Victoria Secret  
Here's Lapearla, come peep it  
This lingerie that you could honor A  
Wonder woman, ouuiii, go on play  
Like Cam' watch, like Cam' ring  
Like Cam' chain, like Cam' bling  
Heard Cam' sing, if a damn fling  
Goddamn mam', not a damn thing

[Chorus]

I see the hate in your eyes, damn them boys is too fly  
The way we roll up, rims all swoll up, ice all froze up  
And while you're actin' surprised, like we dough sellin' pies  
They way we hold up, papi hole up, mami roll up
