

# Camel, Credits

Stepping outside,  
there's no turning back.  
Looking behind,

Nowhere to hide -  
watch out for the man in drag;

Checking all around,  
there's no turning back.  
Listen for a sound,  
there's no turning back.  
Keep your head down -  
watch out for the go-between!  
The Cloak and Dagger Man  
Follows -  
Run undercover and  
trust in no one you know.  
Watch what you say,  
there's no turning back.  
Lover's will betray!  
Watch out for the promise of...
