

# Camel, Lawrence

All across this barren land,  
elder voices tell  
stories of a desert ghost.  
The legend of a man  
swallowed by the sand.

High upon the red dunes,  
a prophet in the wind...  
a vision like a mirage,  
rises from a man  
swallowed by the sand.

Fading...  
into the shadows  
of the legend  
you became.

Fading...  
into the mystery  
and the romance  
of your fame.
