Camel, Your Love Is Stranger Than Mine

Can't you see?
All of the things that I'm trying to say
Are inside of me
I never thought I'd be feeling this way
But I think you've known all the time
Your love is stranger than mine

Seeing you I can't believe in a love that won't leave I don't want you to Be anyone that you don't wanna be But I think you've known all the time Your love is stranger than mine

If you are the one To make it, to break it If you are the one Won't you stay with me?

One more time
Getting a feeling afraid that I might be
Out of line
Telling myself there's a chance that you
could be someone I've known all the time
Your love is stranger than mine
