

Camera Obscura, Lloyd, I'm Ready to Be Heartbroken

He said Ill protect you like you are the crown jewels yet
Said hes feeling sorrier for me the more I behave badly I can bet
Hey Lloyd Im ready to be heartbroken
'Cause I cant see further than my own nose at this moment
Jealousy is more than a word now I understand
You can stay a girl while holding a boys hand
Hey Lloyd Im ready to be heartbroken
'Cause I cant see further than my own nose at this moment
Hey Lloyd Im ready to be heartbroken
'Cause I cant see further than my own nose at this moment
At this moment
Ive got my life a compilation here to sort out
Ill take myself to an east coast city and walk about
Hey Lloyd Im ready to be heartbroken
'Cause I cant see further than my own nose at this moment
Hey Lloyd Im ready to be heartbroken
'Cause I cant see further than my own nose at this moment
Hey Lloyd Im ready to be heartbroken
'Cause I cant see further than my own nose at this moment
At this moment
