

Camera Obscura, Phil And Don

Phil and Don

(Lloyd, I'm ready to be heartbroken EP)

Phil and Don

What went wrong

I see no reason to go on

I'll take the slack from you

Give all my love to you

I'd break my back for you

It's not enough, I know

Phil and Don

The saddest song

It breaks my heart to sing along

I'll take the slack from you

Give all my love to you

I'd break my back for you

It's not enough, I know

Phil and Don

I'll say so long

So very nearly made me strong

You very nearly made me
