

Camila Cabello, Psychofreak (Ft. WILLOW)

(Pa-pa-pa-pa-pa-pa-ra)
Feeling like a psychofreak-freak-freak
(Pa-pa-pa-pa-pa-pa-ra)

Feeling like a psychofreak sometimes
Tryna get connected, no Wi-Fi
Tell me that you love me, are ya lying?
Give me lemonade, I give you limes
House in the hills is a house of cards
Blink and my fairytale falls apart
Sorry, I don't mean to get so dark
Maybe I'm an alien, Earth is hard

(Pa-pa-pa-pa-pa-pa-ra)
Feeling like a psychofreak-freak-freak
(Pa-pa-pa-pa-pa-pa-ra)
(Pa-pa-pa-pa-pa-pa-ra)
Feeling like a psychofreak-freak-freak

Sometimes I don't trust the way I feel
All my Instagram talking about I'm healed
Wondering if you still got sex appeal
Hoping that I don't drive off this hill
When we're makin' love, I wanna be there
Then I wanna feel you pulling my hair
Ain't believe the words...
