

Camile Velasco, Desperado

Desperado

why dont you come to your senses
you've been out riding fences
for so long now
oh you're a hard one
i know that you've got your reasons
and the things that are pleasin you
can hurt you somehow

dont you try the queen of diamonds, boy
she'll beat you when she's able
know the queen of hearts
is always your best bet
but it seems to me the finest things
have been laid upon your table
but you only want the ones that you cant get

desperado why dont you come to your senses
you better let somebody love you
let somebody love you
you better let somebody love you
before it's too late
too late
too late
before it's too late..
