

Camper Van Beethoven, Down & Out

Gonna move to the city (down & out)
Gonna read alot of william burroughs (down & out)
Gonna practice being depressed
And I think I'll go to film school (down & out)
Live in a scummy part of town (down & out)
All my friends will think that they're junkies

And I don't know what it is I want, but I can get it from my old man
And I don't know what it is I need, but I can get it

Gonna move to the city (down & out)
I'll join a rock and roll band (down & out)
Gonna dress and act like lou reed
And I think I'll go to film school (down & out)
Live in a scummy part of town (down & out)
Read alot of william burroughs and be depressed

And I don't know what it is I want, but I can get it from my old man
And I don't know what it is I need, but I can get it

I'm acting (down & out)
