

Camper Van Beethoven, Joe Stalin's Cadillac

"Joe Stalin's Cadillac

This is Joe Stalin's

We're just drivin' 'round the block in Joe Stalin's Cadillac

L.B.J.'s Cadillac

L.B.J.'s Cadillac

We're just peenin' on the side of the road in L.B.J.'s Cadillac

Aw, this is Somoza's Cadillac

This is Somoza's Cadillac

We're just drivin' 'round the block in Somoza's Cadillac

General Pinochet's Cadillac

General Pinochet's Cadillac

Can't go left in General Pinochet's Cadillac

Well my Cadillac

Is Johnson's Cadillac

Is Stalin's Cadillac

Is Somoza's Cadillac

Is General Pinochet's Cadillac and be referred to Reagan's Cadillac

Gonna drive my Cadillac off a bridge

Gonna drive my Cadillac of a bridge

If I can find a bride I'll drive my Cadillac off a bridge

Where's the bridge?

Has anybody seen the bridge?"
