

Camper Van Beethoven, Opi Rides Again - Club

I don't have to go to school for an entire week
I just want to go down to Newport Beach
Mom and Dad want to tell me where to go
They wanna go to Club Med San Carlos
Club Med sucks
Authority sucks
I hate golf
I wanna play lacrosse
The people there, they are so stupid
They exploit the poor and the weak
I want no part of their death culture
I just wanna go to the beach
