

# Candi Staton, Young Hearts Run Free

What's the sense in sharing, this one and only life  
Ending up, just another lost and lonely wife  
You count up the years, and they will be filled with tears  
Love only breaks up, to start over again  
You'll get the babies, but you won't have your man  
While he is busy loving, every woman that he can ("aahh haa")  
Say I'm gonna leave a hundred times a day  
It's easier said than done  
When you just can't break away ("just can't break away")

## CHORUS

Ohhhhh  
Young hearts, run free  
They'll never be hung up, hung up like my man and me ("umm, my man and me")  
Ooooooh  
Young hearts, to yourself be true  
Don't be no fool when  
Love really don't love you ("don't love you")

It's high time now just one crack at life  
Who want to live in, trouble and strife  
My mind must be free, to learn all I can about me, oohh  
I'm gonna love me, for the rest of my days  
Encourage the babies every time they say  
Self preservation is what's really going on today ("aahh, hooo")  
Say I'm gonna turn loose hundred times a day  
How can I turn loose

When I just can't break away ("just can't break away")
