

# Candice Alley, Falling

I see it in your eyes,  
It's not the way I feel inside.  
And I wonder why,  
It has to be this way now.  
And I don't know what's real,  
Won't you tell me how u feel.  
You can live your lives,  
Everybody want to say goodbye

And I wonder why (why) I'm fallin'  
And I wonder why I'm off the ground  
Don't you ask me why?  
I'm letting go of my head  
Coz I'm fallin'

If you could only see,  
All the tears that are fallin'.  
And the answers that I need,  
And everybody's tellin' me:  
And I don't know what's real.  
Won't you tell me how you feel?  
You can live your lives,  
Everybody wants to say goodbye

And I wonder why (why) I'm fallin'  
And I wonder why I'm off the ground  
Don't you ask me why?  
I'm letting go of my head  
Coz I'm fallin'

(Why I'm fallin'...I'm off the ground)

Coz I'm fallin'

Try to close my eyes  
And I see you in my mind  
And I wonder why  
You have to leave it all behind.  
And I don't know what's real  
Won't you tell me how you feel?  
You can live your lives  
Everybody wants to say goodbye

And I wonder why (why) I'm fallin'  
And I wonder why I'm off the ground  
Don't you ask me why?  
I'm letting go of my head  
Coz I'm fallin'

And I wonder why (why) I'm fallin'  
And I wonder why I'm off the ground  
Don't you ask me why?  
I'm letting go of my head  
Coz I'm fallin'

Why I'm fallin'  
Why I'm fallin'  
Why I'm fallin'  
Why I'm fallin'  
Why I'm fallin'
