

Candiria, 300 Percent Density

CHAPTER ONE

analyze the devices
war with thee
pieces of your destiny corrupted
rise
thriving
can you verify the lost contents

CHAPTER TWO

gravel lodged in your throat
flesh box cavity
gradual eruption probe
one that feeds
hands that caress a crooked spine
absorbing bi-products
prompt exchanges
that will deconstruct

CHAPTER THREE

move on forward
signs that will pierce like labor pains
sharp
ways of a drunkard
the dogs shall devour and lap up their blood
stains

CHAPTER FOUR

persist
the prime suspects will not restrain
with affection
recession
final effects of a broken hope
of a broken shell
of a broken yoke
walk and learn from these
deviant
loss of wealth
subservient
quarantine the divisions
the double edged sword
depth incision

CHAPTER FIVE

glutton eat your fill
divination is that of a swine babbling in their filth
beware of the things hibernating in your skull
reeking havoc
malignant cells still active
schemes that will inflict my son
schemes that run rampant

CHAPTER SIX

if the disease of self
leaves a heavy burden on your soul
it must be removed
like bricks in the belly
you will sink in to the depths
