

# Candlemass, Hammer Of Doom

In the evening rain, I was standing outside...the hell opera  
I've been there before, a while ago...with Nosferatu  
Saw the execution of my tomorrow...saw it and bowed  
In the theater, of hellfire...the inferno is now!  
I am lost again, I lean against...the purgatory gates  
To ease my suffering, you're offering...to unlock my fate  
The black rhapsody, I cannot breathe...inside my tomb  
The devil's centurion, my world goes boom...The Hammer of Doom  
The Hammer of Doom  
Ain't no sunshine where I go  
I stand where no roses grow  
Desperate in the Typhoon  
Swinging the Hammer of Doom
