## Candy Dulfer, I Can't Make You Love Me

Turn down the lights Turn down the bed Turn down these voices Inside my head

Lay down with me And tell me no lies Just hold me close Don't patronize Don't patronize me

I can't make you love me if you don't You can't make your heart feel something it won't Here in the dark in these final hours

I will lay down my heart and I'll feel the power But you won't, no, you won't I can't make you love me if you don't

I'll close my eyes Then I won't see The love you don't feel When you're holding me

Morning will come I'll do what's right Just give me til then To give up this fight And I will give up this fight

I can't make you love me if you don't You can't make your heart feel something it won't Here in the dark in these final hours

I will lay down my heart and I'll feel the power But you won't, no, you won't Oh, oh, oh, can't make you love me (Can't make if you don't) Oh, oh, oh, can't make you want me (Can't make if you don't)

I can't make you love me if you don't I can't make you love me if you don't (Oh, oh, oh, me if you don't)
