

Candye Kane, Highway Of Tears

First you say yes, and then you say no,
Tell me you love me, then you say "go",
Make it a detour around your love,
I think that I'm certain, but I'm stuck in the mud.
I'm quaking, I'm shaking
I know the sound of my heart breaking.
I'm on a highway of tears.

You want to lose me, you've told me it's true
I check the road map, all signs point to you.
The light is green, I thought it was red.
Different directions swirl in my head.
I'm sighing, I'm crying
I know this pain is our love dying.
I'm on a highway of tears.

It's getting foggy, I can't see the lines
Faster cars pass me, and leave me behind.
Hitch hikers taunt me, they hold up a sign
Your trip is over, now she is mine
I'm sighing, I'm crying
I know the sound of our love dying,
I'm on a highway
and I just can't find my way,
I'm on a highway of tears.
