

Canibus, 2000 B.C. (Before Can-I-Bus)

Yo, my offense is a mixture of Mike and Muhammad
Knock a nigga unconscious and talk shit
In bare-knuckle boxin', speed is the object
Weavin' and dodgin' with defensive blockin'
So in the ring, you cannot win
The top ten become nine dead if I ever decide to hop in
With the one-two, one-two shot to the chin
Knock you out like ten shots of vodka and gin
The beautiful blend of power and strength
From the top of my head, down to where my toe cuticles end
I verbally burn a nigga, lyrically hurt a nigga
Pull a voodoo verse on a nigga, Kennedy curse a nigga
Who can spit the words quicker than the average man?
Who can embarrass a man? Bite you with fangs and mangle ya hands
On candid cam, the Canibus can
The Canibus can with the stamina to damage a man
It's been a long time
(It's been a long time)
I shouldn't have left you
(I shouldn't have left you)
Without a strong rhyme to step to
I told y'all
(C'mon)
I roast y'all
(C'mon)
So come on
Hold on
(Hold on)
It's been a long time
(It's been a long time)
I shouldn't have left you
(I shouldn't have left you)
Without a strong rhyme to step to
I told y'all
(C'mon)
I roast y'all
(C'mon)
So come on
Hold on
(Hold on)
Yo, I spit for it
(Lie for it)
Live for it
(Die for it)
Back out the nine, commit a homicide for it
If I'm handcuffed with the right to remain silent for it
I'ma blow trial and do the federal time for it
You mad at the last album, I apologize for it
Yo, I can't call it, motherfuckin' Wyclef spoiled it
But this time for 99 I got 5 on it
You should double up and put a dime on it
Matter of fact, triple your nickle and put 14.99 on it
I'ma shine on it, watch Flex drop a bomb on it
About ten times on it, watch people call a request line for it
Cypher sounds keep pushin' rewind on it
Look out for the album with the Canibus design on it
12 o'clock in the morning you'll be standin' on line for it
I'm a live poet with a sharp ear and eye for it
'Coz I tear down mics and put a out of order sign on it
It's been a long time
(It's been a long time)
I shouldn't have left you
(I shouldn't have left you)
Without a strong rhyme to step to

I told y'all
(C'mon)
I roast y'all
(C'mon)
So come on
Hold on
(Hold on)
It's been a long time
(It's been a long time)
I shouldn't have left you
(I shouldn't have left you)
Without a strong rhyme to step to
I told y'all
(C'mon)
I roast y'all
(C'mon)
So come on
Hold on
(Hold on)
Yo, I rip shit with the ballistic characteristics
Of a hollow tip at point blank distance
I flip shit when I spit shit, Father forgive bis
I just snatched the Jesus piece off some Christians
'Coz they sounded like idiots, they went from silver to gold to platinum
After the millennium they'll probably be wearin' iridium
They so gassed, if a bitch sucked they dick they'd probably cum helium
Y'all niggaz can't be serious, I was nice before ice
Before Christ, before the words let there be light
And a light took over the night, I was born with a mic
Lord of the mic before all plant and animal life
Took this rap shit to new heights
Before the Wright brothers took flight
Before dog fightin' and aerial strikes
Before MC's picked up pens and started to write
Before promotional marketin' and posterlights?
The Canibus'll bust up mics, punch out lights
Punch out your motherfuckin' eyesight for the title bought fight
Ask Top Phife, I snatch the track for half price
The Canibus is too nice, gimme that mic
It's been a long time
(It's been a long time)
I shouldn't have left you
(I shouldn't have left you)
Without a strong rhyme to step to
I told y'all
(C'mon)
I roast y'all
(C'mon)
So come on
Hold on
(Hold on)
It's been a long time
(It's been a long time)
I shouldn't have left you
(I shouldn't have left you)
Without a strong rhyme to step to
I told y'all
(C'mon)
I roast y'all
(C'mon)
So come on
Hold on
(Hold on)
