

Canibus, No Doubt (Remix)

(Canibus)

Yo

Seven O two, remix

Three chicks, brothers is dying to be with

But I need chips so I can reinvest in a whip

Then I'll add another six cylinders to my V six

And pick you up in the V twelve, SL

Much better acceleration now, can't you tell?

Canibus is the name, can't you smell

Spitting game you can't rebel

And lower your defensive (A)

(Canibus)

Come on, you can't ignore that your feeling so strong

You even told me you don't want to be alone, anymore

But as soon I close the door, you start saying no

You ain't sure, then what you come home with me for?

Girls be getting me bored, asking me if I know the Lord

Like all I want to do is get in their drawers

(B) the Motown man, this is how we get down man
