

Canibus, Reporting Live

I was authorized to take the kill shot for Hip Hop
Flip the car on its top wait 'til the wheels stop
The passenger crawled out wiping blood from his jaw and his mouth
The cleanup team is five clicks South
Satellite voice recognition every lyric I'm spitting
'Til the flow switches you never know who's listening
Call back you just missed him, no I didn't
Look at the pictures, don't pay attention 'cause its none of your business
Just pay attention to detail in the mailroom reading emails
The Good Shepard conducts surveillance of the sheep well
Separate the males from the females
Quarantine any and all personnel who rebel
Spit rhymes rapid in a zigzag pattern
My hand is a magnet thats attached to a ratchet
The eagle was a phoenix, the phoenix is a zenith of a greater meaning
We'll discuss in a later briefing
Teflon armour from the tactical technical office department
I designed something a thousand times stronger
Father Author Pariah Pauper keep your eye on the Doppler
I don't know what's coming but it's a monster
As I proceed to give you what you need
Which means we gon' keep spitting the rhymes you don't believe
DNA resonant coding can locate any target when roaming
Leave the microphone broken
