

# Canibus, Watch Who You Beef Wid

Watch who you beef wid  
You need to watch who you beef wid  
You need to watch who you beef wid  
Watch who you beef wid  
You need to watch who you beef wid

[CHORUS]

Yo, you better watch who you beef wid  
You might be walking down the street, then  
Suddenly you hear tires screechin  
Niggaz'll be hoppin out with heat and  
Throw you in the car seat and leave your lady standing there screamin  
The whole weekend, you get blindfolded and beaten  
Nosebleedin, gaspin for air, wheezin  
You got kidnapped and you don't even know the reason  
We even called your fam for ransom, they said, 'Keep him'

Watch who you beef wid  
Yea, it ain't no secret  
Talkin that street shit'll get you in some deep shit  
See, niggaz know who you beef wid,  
Where you be at, when you be gone, when you be back  
All of my niggaz got doctor degrees in thuggonometry  
We all know how to hold the heat properly  
And how to conduct an armed robbery for personal property  
And can go without food or water for 24 hours at least  
We fugitives, who ain't doin a bid, and shoot to live  
Even if it means leavin you for dead  
Cause niggaz like you get scared, look for loopholes  
Pick the phone up and dial 9-uno-uno  
What happened to them truant niggaz that you talk about  
The crew of niggaz that you never walk without  
I know what happened  
You heard about the double-action  
Portable gatling and y'all don't wanna get blasted

[CHORUS]

Ay yo we run up in radio stations on some unannounced shit  
Catch the DJ off guard and roundhouse him  
Duct tape his mouth then, put a pound to his gut  
And force him to play 5 cuts off the up and coming album  
Just the way I planned it, niggaz'll start to panic  
Brains get hijacked like planes'll crashlandin  
Bitch niggaz pray to the lord  
The black box who was supposed to record  
The pilot's voice got destroyed  
So watch who you beef wid  
And watch who you suck your teeth at  
It'll probably be something you regret  
Get wet with horizontal rain droplets  
Miniature rockets, comin out barrels of metal objects  
niggaz get shot in the face  
On the ground shakin like tectonic plates that cause earthquakes  
Now you got your grill in the ground, how that dirt taste?  
You shouldn't have started this shit in the first place

[CHORUS]

Cause niggaz is comin to get you, ready to rip you  
With intercontinental ballistic missiles and pistols  
Put a red dot on your head like you Hindu  
Then put a hole in you big enough to put my open fist through  
We could verbally diss you or we could get physical

Whatever niggaz wanna do, we could do it too  
Cause you a sinner, I'm a sinner, we all sinners  
We rob niggaz for their presents at their bar mitzvahs  
We rob niggaz for their body organs  
Sold em to the highest bidders  
Things like hearts and livers  
One and a half million in cash when it's delivered  
They go to Yom Kippur and beg for God to forgive us  
So you the type that, find violence real frightening  
Or hold your crucifix tighter when shells is firing  
Sittin by your bed perspirin, tryin to crawl underneath it  
You need to watch who you beef wid

[CHORUS]

Keep that low-down, stinkin motherfucker  
Uh, you need to watch who you beef wid  
You need to watch who you beef wid  
Yea nigga, watch who you beef wid  
Uh, watch who you beef wi
