

# Cannons, Crush

I feel my heart exploding this cant be just a crush

Whenever you come around  
My heart skips a beat, or two  
You sweep my feet of the ground  
I'm lost in a dream of you

I feel my heart exploding  
My Blood beings to rush  
This feeling I can't ignore it  
This can't be just a crush

Crush, crush, crush  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
(I feel my heart exploding  
This cant be just a crush)  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
Couldn't be a  
Crush, crush, crush

It's feeling like deja vu  
When I'm standing next to you  
And All these years of running  
They lead me straight to you

I feel my heart exploding  
My blood begins to rush  
This feeling I cant ignore it  
This cant be just a crush

Crush, crush, crush  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
(I feel my heart exploding  
This cant be just a crush)  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
Couldn't be a  
Crush, crush, crush

Promise when the night turns into the sun  
you'll be here, still holding on  
Baby when the light  
turns into the dark  
You'll be there, still holding on

This feeling I can't ignore it  
This cant be just a crush

Crush, crush, crush  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
(I feel my heart exploding  
This cant be just a crush)  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush  
Couldn't be a  
Crush, crush, crush  
More than a  
Crush, crush, crush

This feeling I can't ignore it  
This cant be just a crush  
Crush, crush, crush
