

Cannons, Strangers

Please take your time and take it slow
As all you do will start to show

I'm in a sea of strangers
Shaking me up and down
I'm in a in a sea of strangers
Spinning me all around
I'm in a sea of strangers
Shaking me up and down
I'm in a sea of strangers
Can't get lost in the sound

'Cause I'm not going down
I'm not going down
Won't get lost in the sound
Get lost in the sound

Please take my hand and let me know
That you're OK with moving slow

I'm in a sea of strangers
Shaking me up and down
I'm in a sea of strangers
Spinning me all around
I'm in a sea of strangers
Shaking me up and down
I'm in a sea of strangers

'Cause I'm not going down
I'm not going down
Won't get lost in the sound
Get lost in the sound

And if I ever fall behind
Will you be the one
To keep me in line
And there's no amount of time
That could change my mind
When you're by my side

Get lost in the sound, the sound
Get lost in the sound, the sound

'Cause I'm not going down
I'm not going down
Won't get lost in the sound
Get lost in the sound

Get lost in the sound, the sound
Get lost in the sound, the sound
