

Cansei De Ser Sexy, Art Bitch

My art is called egocentric-soft-porno
Or maybe it's just narcissism...
My one and only subject
Goes from something like anything but
Me-ism

Wouldn't it be easier for beardsley?
He could drop the paintings
And photograph his penis
Or take pixxx of the chicks...
Yeah, you know what I mean...
Wouldn't it be better for Esher?
He could drop the math
And make it happen on his mattress
2 girls and a cam!
3 girls and a cam!
You put a dog there and you got polaroid scat

I ain't no artist
I am an artbitch
I sell my paintings to the men I eat
I have no portifolio
And I only show
Where there's free alcohol

I am so hardcore
I sell my crap and people ask for more...
Call me revolutionary
I poo on a plate and get it published on visionaire
What I do, is called art-shit
And don't you dare make fun of me
Cuz everything I do was featured on the pages of i-d!

I ain't no artist
I am an artbitch
I sell my paintings to the men I eat
I have no portifolio
And I only show
Where there's free alcohol

I ain't no artist
I am an artbitch
I sell my paintings to the men I eat
I have no portifolio
And I only show
Where there's free alcohol

Lick lick lick my art-tit
Suck suck suck my art-hole
