

# Cantatonia, Godspeed

My name is Marianne  
But they all call me Frances  
I saw the coast was clear  
Do you mind me being here?

I've seen faces in high places messing up for good  
So what am I doing here?  
What am I doing here?

What's say you feel in me?  
Saw the writing on the wall, feel sad and blue  
A paradise is close at hand  
In images of elsewhere

I've seen faces in high places  
Messing up big style  
I log on for company  
My ISP comforts me

Goodbye, godspeed  
I can't give you what you need  
If i've sounded distant thus far  
It's cause I'm as lost as you are

A paradise is close at hand  
In images of elsewhere

Goodbye, godspeed  
I can't give you what you need  
If i've sounded distant thus far  
It's cause I'm as lost as you are

Goodbye, godspeed  
I can't give you what you need  
If i've sounded distant thus far  
It's cause I'm as lost as you are
