

Capone-N-Noreaga, Y'all Don't Wanna

[Noreaga]

Yeah..

Why they don't get a nigga like me
to sing the national anthem or nuttin?
{*laughs*} It's nothin!

Nokio! (Flame, Nokio)

NOKIO GIVE US A BEAT BABY - SOME GANGSTA SHIT YO!

CNN, the best group that ever lived
Best blowin fuckin group that ever lived in rap
Hundred percent real stories, we speak truth
Yo, tell 'em how your life is son
How your life is yo?

[Noreaga]

My life is nuttin like a sitcom, you see I sip Dom
I rock Jor-dan's, and can't stand Pip-pen's
Bases loaded, coach want me to bunt
but I'ma go for the homer and cock the pump
I was the kid in the hood your moms ain't want you with
Now I'm rich, tell your moms one-two click
Since a young one, I love heaven and love hell
Escobar style, I'll build my own jail
The America's, 'merica's, favorite thug
to sell cocaine, America's, favorite drugs
Me and 'Pone like the military, we train niggaz
and the hoes don't fuck, they just brain niggaz
CNN, focus on us, we coco-nuts
We throw our gang signs up, (?) wit us
Set up a congregation, so I can orally speak
I orally, have sex cause my aura(?) is deep, it go

[Chorus: Capone-N-Noreaga]

{Pone}
