

Captain Hollywood Project, Only With You

Could it be that love is the answer why I feel so good why I want to stay here with you
Only with you could it be that love has more to give me than I thought was true
But I just can feel it only with you, only with you
You should just chill search for the world until that you are doing his will
Just keep teaching not to kill and keep teaching not to steal
Oh yes we need to keep working
To stay out of all the dirt were in
Away from all the jerks
So none of us gets hurts
Take a look at what were doing
Our earth is what we ruin
Oh yes its a true in if you take a look at mankind
Drugs are taking over their mind
Everybody is doing crime
You know that its time
Could it be that love is the answer why I feel so good why I want to stay here with you
Only with you could it be that love has more to give me than I thought was true
But I just can feel it only with you, only with you
You see a tide up in the sky
And we are asking why
So why dont we just stop it and try to change the topic
cause you aint making profit so dont you even bother it
love is what were needing
our earth is bleeding
Hollywood is pleading
To everyone whos believing
Yes we need to keep working
So none of us be hurting
Yes we need to get right
Forget the black and the white
Just keep love in sight right
Each and every day and night
Could it be that love is the answer why I feel so good why I want to stay here with you
Only with you could it be that love has more to give me than I thought was true
But I just can feel it only with you, only with you
