

Captain & Tennille, Taina

When i was a lil' girl, I wondered what my life would be,
when my hope and faith were gone, my dreams were there to guide me,
was insecure and at times i had my doubts, but when i lost my sense of faith a voice inside me sho
You know i cant wait to see my name in lights, no ones gonna strop me, you'll see, I will go far
(whats ya name?)

TAINA, TAINA, ive always had dreams of me being a star,

You'll be saying my name, I got love in my heart, i can play any part (whats my name?)

You'll be saying my neam, see my star shining bright i can reach any height (whats my name?)

You know i wont ever stop til' my dreams are reality

and even tho' the road is rough, im gonna live out my fantasy
