Captain & Tennille, The Way I Want To Touch Yo

i never wanted i never wanted to touch a man the way that i want to touch you

i never wanted i never wanted to love a man the way that i want to love you

you are sunshine
you are shadows
you are morning
you are night
you are hard times
you are good times
you are darkness you are.....light

i never wanted i never wanted to give a man the things that i want to give you

i never wanted i never wanted to live with a man the way that i want to live with you

you are sunshine you are shadows you are morning you are night you are hard times you are good times you are darkness you are......light

i never wanted i never wanted to touch a man the way that i want to touch you.....

the way that i want to touch you now..... the way that i want to touch you.
