Makes it all so much better
And I wanna tell you I feel it in my heart
You know how, know how I love all the things I said about honey
Nothing is not in dreams, catches made a sound, you got

Hold on, hold on - -----
Hold on, hold on - -----

Makes it all so much better
You're havin' it all right, singing in your head

[Solo de saxofone]

Hold on, hold on - -----
Hold on, hold on - -----
