

Carl Belew, I Can't Take A Chance

You don't know how much I'm still in love with you
And I wonder would it help me if you knew
It's my pride that won't let me come around
For I can't take a chance that you might turn me down
I couldn't stand to know my one last chance is gone
And though I'd have to try to face this world alone
Although my love someday could make me come around
And make me take a chance that you won't turn me down
I couldn't stand to know...
