

# Carl Smith, I Feel Like Cryin'

I feel like cryin' my heart is breakin' thought you were makin' a true love to me  
I feel like cryin' now I'm forsaken and you have taken the heart out of me  
[ guitar ]  
I saw you darling in town last night you and your new love were doing all right  
I stood there staring with such a pride I couldn't really believe my own life  
I feel like cryin'...  
No use denyin' I still love you I feel like cryin' what else can I do
