

Carl Smith, Live And Let Live

They tell me that you're going away what makes you want to leave
You gave me your love you gave me your vows now you're leaving me here to grieve
Live and let live don't break my heart don't leave me here to cry
I never could live if we should part so tell me you don't mean goodbye
[guitar]
I stayed awake last night and walked the floor what makes you grieve me so
Live and let live don't break my heart I don't want to live if you go
Live and let live...
