## Carl Thomas, Im Emotional

(Carl Thomas)
I always dreamed that
verything would be ok with me and you,
But I was wrong,
When I looked into your eyes
I didn't see all the things I used to see,
Whats going on?

(Faith Evans)
You gave me reason to believe
That we were always meant to be,
But now I see
You were wrong
You can't keep running back to me
With all those baby baby please!
No more....no more

## (Chorus)

Never imagined you would be a faded picture I'm emotional Guess I'll be leaving, no deceiving; its official I'm emotional

(Faith Evans)
I can't forget that night
I saw you in the corner wrapped up tight
You were wrong
Slow dancing on the floor
While I was watching from the door so hurt
There you were

You gave me reason to believe That we were always meant to be But now I see You were wrong You can't keep running back to me With all those baby baby please! No more....no more

## (Chorus)

## (Both)

You had your chance (had your chance)
But you threw it all away (yes you did)
Thought you had my love always (no ba-by)
I don't understand (i dont understand)
How you think that we could stay
When you told a lie
I had to go

(Chorus till fade)
