

Carlene Carter, Love Like A Glove

(Carlene Carter - James Eller)

Some gotta wear their heart on their sleeve
Me I gotta keep it on hand or I can't sleep
I keep it under my thumb
In the palm of my hand

Chorus

I gotta love like a glove
Gotta grip on me
Gotta push and a shove like machinery
When it gets too big it'll shrink to fit
Gotta love like a glove
And I'm wearing it

Some wanna show the world what they got
I keep it under wraps tie a lovers knot
From around my wrist
To my fingertips

Chorus

Some gotta wear their heart on their sleeve
Me I gotta have it on hand or I can't sleep
You gotta fight to keep it
Loose and legal
Love don't leave it
Keep it hand to hand

Chorus
