

# Carlene Carter, Love Like This

(Mary Ann Kennedy, Pam Rose and Pat Bunch)

A king would trade his finest crown for love--love like this  
And warriors have laid weapons down for love--love like this  
Hearts will break a thousand times for love--love like this  
And arms will wait a thousand nights for love

Love like this

Love may come and love may go

But here inside your arms I know

That only you will ever show me

Love like this

Oh you and I have finally found a love--love like this

A place to lay our burdens down in love--love like this

And hearts can speak without a sound in love--love like this

What makes the world keep turning 'round is love

Love like this

Love may come and love may go

But here inside your arms I know

That only you will ever show me

Love like this

The moon has never shown before on love--love like this

And I have never wanted more than love--love like this

Whoa a love, love like this

Whoa a love, love like this
