

Carlene Carter, One Good Lover

(C. Carter - K. Brooks)

He's not lookin' for your kind of love
I got a hand in his heart like a fist in a glove
You say you're strong
Well, tough you better be
When he's lookin' for a fight he
Always comes back to me

Chorus

'Cause one good lover deserves another
I'm one good lover, one good lover

He's just lookin' for a friendly smile
He got a look in his eye like
A Prisoner with a file
He don't love you, he don't even know your name
It takes two to tango
Three to lose the game

Repeat Chorus

Try it one more time with feeling
But you can't hurt him like I can
Like I can
Like I can
One good lover deserves another

He's not lookin' for your kind of love
He likes a take and a give, likes a pull and a shove
You're experienced, advice is what you need
Listen closely I've got two words for you for free

Repeat Chorus
