

Carlos Santana, Changes

Dont you feel a change a-coming
From another side of time
Breaking down the walls of silence
Lifting shadows from your mind
Placing back the missing mirrors
That before you couldnt find
Filling mysteries of emptiness
That yesterday left behind.

Chorus:

And we all know its better
Yesterday has passed
Now lets all start the living
For the one thats going to last.

(Repeat Chorus)

Dont you feel the day is coming
That will stay and remain
When your children see
The answers
That you saw the same
When the clouds have all gone
There will be no more rain
And all the beauty of all things
Is uncovered again.

Chorus

(Repeat Chorus)

Dont you feel the day is coming
And it wont be too soon
When the people of the world
Can all live in one room
When we shake off the ancient
Chains of our tomb
We will all be born again
Of the eternal womb.

Chorus (Repeat 3x)
