

# Carlos Santana, E Papa Re

The sun is slowly rising  
The day is just beginning  
Let me take you to a  
Place you've never been to  
Imagine that you're walking  
With me in the jungle  
The natives they are dancing  
And singing to a ritual  
E papa re, e papa re...  
The music's getting to you  
Your knees are feeling shaky  
Your mind is getting dizzy  
The spell is taking over  
Suddenly you find yourself  
Surrounded by these people  
Ain't no use to try and struggle  
You know it would be useless  
Out of nowhere comes their leader  
Commanding all attention  
He signals them to set you free  
But to keep on singing  
E papa re, e papa re...  
All around below above  
The magic's flowing freely  
Everybody's soaked in sweat  
Drenched by their own feelings  
Incantations cry out loud  
The fire keeps on burning  
now you're in a time and space
