

# Carlos Santana, Everybody's Everything

Seems like everybody's waitin' for the new change to come around  
Come around, come around, come around  
Waitin' for the day when the king, queen of shows singing 'round  
Singing' round, singing round, singing round  
Singing round, singing round for everyone  
Yeah do it

You can understand everything to share  
Let your spirits dance brothers everywhere  
Let your head be free  
Turn the wisdom key  
Find it naturally  
See you're lucky to be  
If you're sad just spin around and round and round  
Do it

Yes just hold me baby  
Something on your back  
Lay it down  
Lay it down, lay it down, lay it down  
Don't you know honey maybe  
You're like my childless hometown  
This ole town, this ole town, this ole town  
Sing it now  
Time for you to all get down  
Yeah do it

Get ready, get ready, get ready, get ready

Dig this sound  
Spinnin' round and round and round  
Do it

You can understand everything's to share  
Let your spirits dance brother everywhere  
Let your head be free  
Turn the wisdom key  
Find it naturally see your lucky to be  
Sing it now  
Time for you to all get down  
Yeah do it

Get ready, get ready, get ready, get ready  
Get ready, get ready, get ready, get ready

Sing it now  
Time for you to all get down
