

# Carlos Santana, Hope You're Feeling Better

Is that you  
Your eyes slowly fading?  
Is that you  
Your mind full of tears?  
Is that you  
Searching for a good time?  
Is that you  
Waitin' for all these years?

And I hope you're feelin' better  
Yes I hope you're feelin' good  
Yes I hope you're feelin' better

Is that you?  
Look across the ocean  
Is that you  
Thinkin nothin' is really there?  
Is that you  
Waiting for the sunshine?  
Is that you  
When all you see is glare?

And I hope you're feelin' better  
Yes I hope you're feelin' good  
Yes I hope you're feelin' better

Is that you  
Who never saw your baby?  
Is that you  
Who never had a friend?  
Is that you  
Movin' to a new town?  
Is that you  
Will di'monds replace your friends?

And I hope you're feelin' better  
Yes I hope you're feelin' good  
Well I hope you're feelin' better
