

Carlos Santana, It's A Jungle Out There

(scream) I just gotta get away
Cant stand it
Children suffer every day

Tell me baby
Whats it for
Fighting daily
For the turf

Were still killing each other
In the name of the Lord
Theres a brand new graffiti
With blood on the walls

Peace... are you that far away?

Now you can feel it
Other peoples pain
Love can heal it
Gentle as the rain

Oh, the United Nations drag their feet on the floor
All they do is spend your money
They dont tell you what for

Peace... what price we have to pay
Peace... theres gotta be a better way

People tell me its useless to look for a way
I believe that tomorrow starts right here, today

Peace... are you that far away
Peace... theres gotta be a better way

Peace... are you that far away
Peace... theres gotta be a better way
Peace, peace
Theres gotta be a better way
Peace, peace oh oh oh peace
