## Carlos Santana, Life Is For Living

See: Vive La Vida (Life is for Living) Same song.

Vive La Vida (Life is for Living)

In this world there is so much anger Our lives are in danger We are all living in fears Weve got to stop the tears

Chorus: Life is for living So why must we wait We all need some loving So then why do we hate?

In South Africa things are still the same The face of humanity still hasnt changed People have to fight to live together And share with one another

Chorus

We can change this to a better place for all If we listen to others when they call Give a shoulder to lean on when they fall Let us bring down the apartheid wall

Innocent people pay with their lives Cause the truth, it cuts like a knife Mandelas life is wasted in jail Raise your voices for freedom

Chorus (3 X)

Woza Mandela Sibizi Gama Lakho Woza Mandela
