

# Carly Simon, Forgive

Let me be before the world  
What I am when I'm alone  
And when my vision falls below  
Let there be forgiveness

Let me answer when I'm called  
Let me know the voice is right  
And when it's deep inside my soul  
I'll know it by it's light

And when it's deep inside my soul  
I'll know it by it's light  
Help me to make the loving choice

Let me answer when I'm called  
By the mighty and the small  
In the service of my soul  
Let there always be forgiveness  
Forgive
