Carly Simon, I've Got A Crush On You

How glad the many millions Of dircks and mikes and williams Would be To capture me

But you had such persistence You wore down my resistance I fell And it was swell

You're my big and brave and handsome Romeo How i won you i will never never know It's not that you're attractive Oh but my heart grew active When you came into view

I've got a crush on you, sweetie pie All the day and nighttime, hear me sigh I never had the least notion That i could fall with so much emotion

Could you coo? Could you care? For a cunning cottage we could share The world will pardon my mush Because i've got a crush, my baby, on you

Could you coo? Could you care? Could you care? For a cunning cottage we could share The world will pardon my mush Because i've got such a crush, My baby, on you My baby, on you I've got a crush on you...
