

Carly Simon, Lost In Your Love

(Carly Simon)

I'm lost in your love
Lost in my love for you
Everything that you say
Everything that you do
I'm lost in your love

I can find me a night
So lovely it might even change me
I can find me the place where mornings come from
But I'm lost when it comes to you

I'm lost in your love
So lost in my love for you
And I can't see your face
'Cause I'm tumbling through space
I'm lost in your love

Find me
Take me
Hold me
I can't let you go free
'Til you lose your love in me

I'm lost in your love
Lost in my love for you
Everything that you say
Everything that you do
I'm lost in your love
