

# Carly Simon, Summer's Coming Around Again

(Carly Simon/Jim Ryan/Paul Glanz)

Here now summer's coming around again  
Every year it seems to come in this way  
Before you know it you've fallen in love  
But be sure it's love before you sail away

You see someone wearing a sunny face  
You want to know him anyway that you can  
Tell him you're just in from Shanghai  
And his smile you just can't pass by

Follow him away  
Follow him away

Sad to say he hasn't seen you come by this way  
His sunny smile just reflects sunny days  
Haven't you seen his face before  
Every year it seems to come this way  
Every year it seems to come this way
