

# Carly Simon, You

You walked into the party like you were walking onto a yacht  
Your hat strategically dipped below one eye  
Your scarf it was apricot  
You had one eye on the mirror as you watched yourself gavotte  
And all the girls dreamed that theyd be your partner  
Theyd be your partner, and...  
Youre so vain, you probably think this song is about you  
Youre so vain, Ill bet you think this song is about you  
Dont you? dont you?  
You had me several years ago when I was still quite naive  
Well you said that we made such a pretty pair  
And that you would never leave  
But you gave away the things you loved and one of them was me  
I had some dreams, they were clouds in my coffee  
Clouds in my coffee, and...  
I had some dreams they were clouds in my coffee  
Clouds in my coffee, and...  
Well I hear you went up to saratoga and your horse naturally won  
Then you flew your lear jet up to nova scotia  
To see the total eclipse of the sun  
Well youre where you should be all the time  
And when youre not youre with  
Some underworld spy or the wife of a close friend  
Wife of a close friend, and...
