

# Carly Simon, You Won't Forget Me

(K. Goell/F. Speilman)

You won't forget me, though you may try  
I'm part of memories, too wonderful to die  
And it will happen, that now and then  
You'll fall to wonderin' if we shouldn't have tried again

You won't forget me, on nights like this  
The moon will cast on you the shadow of my kiss  
No matter where you are with whom you are  
You'll think of me, you won't forget me  
Just wait and see, you won't forget me  
Just wait and see, you won't forget me  
Just wait and see
